

MPOG Charitable Contribution Guidelines

The goals of the MPOG charitable giving programs are to improve the image of the Monroe Police Officers Guild and to provide a positive benefit to the communities we serve. In order to obtain the maximum benefits from this program, the following protocols will be followed:

- (1) Any MPOG member may submit a request for charitable giving to the guild secretary. If possible requests should be made in writing with the charity or organizations mission, contact information and funding deadline readily available.
 - (2) The Executive Board will consider each request based on the overall, statewide benefit to the MPOG organization and membership. Preference will be given to charitable activities that have the participation of MPOG members and events that provide the opportunity for earned media.
 - (3) A majority vote of the Executive Board is needed for approval of a funding request.
-
